PROFESSIONALS

YOUR SUCCESS, OUR PASSION

## STRIVRE GROUP

**The STRIVRE Group** has business interests from technology, coaching, distribution, recruitment and co working. At the centre of all this is one constant theme, connecting people and getting the best out of them.

Launched in the UK in the 1998, we are close to a quarter of a century trading across APAC, Dubai, Europe, and the USA. The group is supported by strong business, organisational and cultural pillars.

These essential commercial assets have allowed us to span the earth planting deep roots in many locations around the world.

**STRIVRE Professionals**, designed to offer a high touch consultative approach, is our financial markets consulting arm.

Headquartered in the USA, we operate a 'hubs and spokes' concept with offices in key strategic locations and physical representation in many others.

## INSIGHT INTO OUR GROUP

Designed to offer a high touch consultative approach, **Our Team** believes strongly in niche markets, garnering detailed market intelligence, on point oversight of trends and nuances and distributing this to our community selflessly.

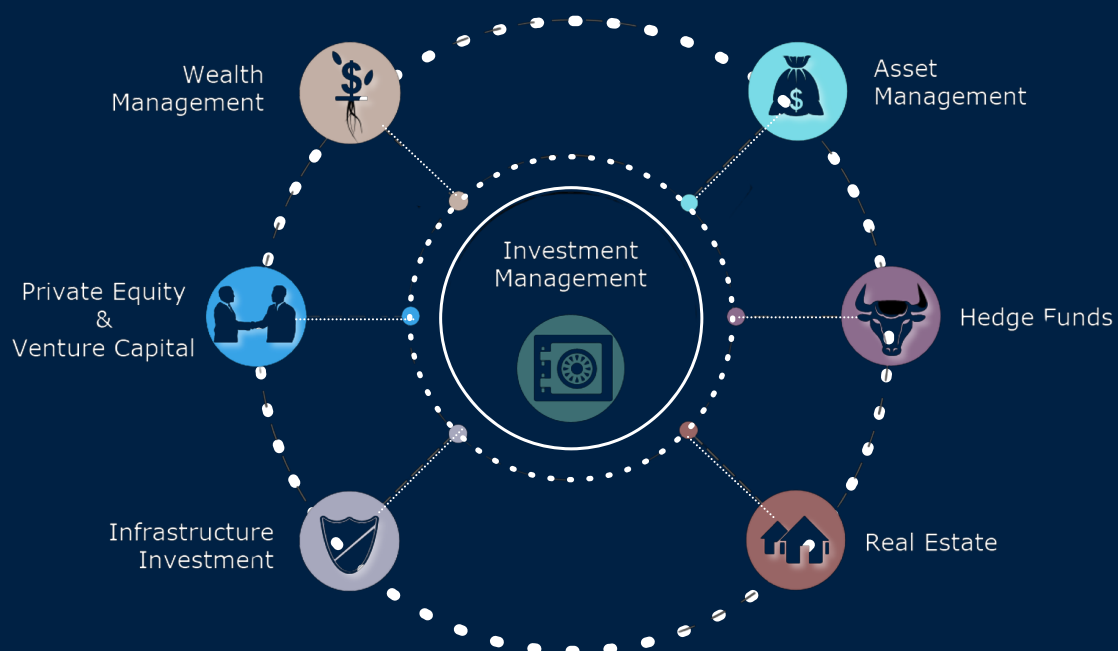

Our focus is **financial markets** and we believe a major Unique Selling Proposition (USP) is **decades of industry experience** gained in **blue chip financial services companies**.

Corporate exposure has allowed us to empathise with stakeholders. It provides credibility and influence with clients and candidates and perhaps most importantly, **intrinsic cultural and market insight**.

At **STRIVRE Professionals**, we are firm believers in the ethos of our Sister Brands – to focus on core niche areas, know them inside out thus breeding insight, influence, credibility, and contacts.

We work with a tight community of trusted clients. We demand collaborative partnership based relationships and functionally. We are best summarised by the following chart:

## OUR APPROACH

### CLIENT PARTNER

At the front end facing clients are our highly experienced, credible and former industry directors who average 22 years experience in their professions.

### EXECUTION

Underpinning them are bright, enthusiastic and highly detail-orientated account managers who work in partnership with their stakeholders.

### RESEARCH

We believe in quality. Our team of ensured market intelligence researchers provide the teams with a cushion of support.
